The Office of Registration and Records

Name: _____ Date: _____

Student ID: _____ Email: _____

First Term of Entry at Capitol: Semester: _____ Year: _____

Please read:

Beginning in the 2016 fall semester (fall 2017 for Cyber and Information Security), the following undergraduate degree programs have undergone a significant change in degree requirements including in many cases a reduction in the total credits required to complete the degree program:

Astronautical Engineering
Computer Engineering
Computer Engineering Technology
Computer Science
Cyber and Information Security
Electrical Engineering
Electronics Engineering Technology
Mobile Computing and Game Programming
Telecommunications Engineering Technology
Software Engineering
Web Development

By signing and submitting this form to the Office of Registration and Records you are requesting a change in your advising catalog year to the fall 2016 degree requirements fall 2017 for Cyber and Information Security).

If you have any questions about this *optional* change in degree requirements please contact the Academic Dean's Office to schedule a meeting with your Department Chair at 240-965-2485.
