

**1927**

Capitol Radio Engineering Institute was founded by Eugene H. Rietzke, a radio operator and Navy veteran, who foresaw the need for an advanced school that could produce talented radio and electronics technicians.

**16:1** STUDENT TO FACULTY RATIO

THE CAPITOL COMMITMENT

Students will receive a job offer within 6 months of graduation or we'll provide up to 36 additional undergraduate credits for FREE.

Capitol Technology University was announced as the winner of the prestigious SC Media Award for **Best Cybersecurity Higher Education Program** in 2020.

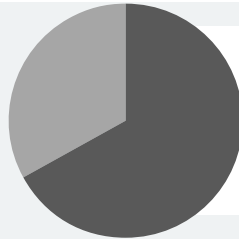

Our students have launched 5 payloads into space in the last 5 years!

**SERVING MILITARY**

Over 14% of Capitol's students are veterans, active-duty military, or national guard members.

**MEETING STUDENT NEEDS**

67% of the undergraduate population received some type of federal financial aid and over half (55%) are Pell Grant eligible.

**RETURN ON INVESTMENT**

*High Net Present Value (NPV) Rankings*

Georgetown University released a report using data from the expanded College Scorecard. This report ranks 4,500 colleges and universities by return on investment titled, "A First Try at ROI: Ranking 4,500 Colleges." Capitol Technology University was ranked 213 out of 4,500 with a 20 year NPV, ranked 141 out of 4,500 after a 30 year NPV, and over a 40 year lifetime of work, ranked 120 out of 4,500 colleges/universities.
