

Lab/Computer Room Policies

All labs will observe the maximum posted occupancy

All Faculty and students will observe the following rules while in the lab:

- The number of students and instructor/student worker(s) cannot exceed the maximum posted occupancy
- Wash or sanitize your hands prior to entering and after exiting the lab
- Clean your station upon entering and exiting the lab
- Always wear your mask while in the lab
- Always observe social distancing of at least 6 feet
- Only sit in designated seating or stations as labeled
- Schedule lab periods for 2 to 4-hour blocks via the provided signup system
- Lab workers can accommodate walk-ins for 2 to 4-hour blocks if space is available
- If you feel sick at any point sign-out of the lab immediately and follow reporting procedures provided by student life.
