

CAPITOL COLLEGE

Kerbal Aeronautics and Space
Administration
(KASA)

LIST OF APPROVED MODS (9/9/2014)

The following is a list of mods that are approved for usage on the Capitol College KASA server.

1. Kerbal Multiplayer (KMP)
2. KW Rocketry
3. MechJeb
4. Station Science

If you wish to propose another mod to be added or removed from the list, you must have at least one other club member co-sponsor your proposal, and then notify the club president of your idea.

Signed,

Jeff Williams
KASA Club President
Capitol College
