

AT A GLANCE

An innovator in engineering education as recognized by the Accreditation Board for Engineering and Technology (ABET), Capitol is the only independent college in Maryland dedicated to engineering, computer science, information technology, cybersecurity, data science, business, and management of technology.

UNIQUE LEARNING OPPORTUNITIES

Capitol's faculty are working professionals in the field – subject matter experts who apply their knowledge on a daily basis and are up to speed on emerging developments.

Capitol has long been recognized as a Center of Excellence in cybersecurity education by the DHS and NSA.

PIPELINE TO MARYLAND WORKFORCE

Over 80% of Capitol's B.S. graduates receive a job offer with a competitive salary in STEM fields within 6 months of graduation.

MILITARY FRIENDLY

Capitol Tech is a VA approved institution and a proud participant in the Yellow Ribbon Program.

We offer a tuition discount and education benefits for active duty military members and their spouses, as well as retired military members.

1927

Capitol Radio Engineering Institute was founded by Eugene H. Rietzke, a radio operator and Navy veteran, who foresaw the need for an advanced school that could produce talented radio and electronics technicians.
