

SD SOLUTIONS

Senior Cyber Security Engineer

[Senior Cyber Security Engineer in Rockwell, MD](#)

Technical Writer Intern

Position Description

SD Solutions' is looking for a Technical Writer Intern works with the SD Solutions Knowledge Management team to create and revise technical documentation in support of SD Solutions IT activities and goals. The Intern experiences a real-world professional environment, including project planning, collaboration with subject matter experts, and use of online tools. It is a part-time, internship-type position with potential to grow into full-time employment in a technical or proposal writing role. We can work with the candidate's school for an official internship designation if requested. The position is remote.

Job Responsibilities:

- Plan, develop, organize, write, and edit operational procedures and manuals.
- Research, develop and document technical design specifications and test scripts.
- Produce electronic documentation in addition to hard copy manuals.
- Maintain a comprehensive library of technical terminology and documentation.
- Analyze documents to maintain continuity of style of content.
- Manage updates and revisions to technical literature.
- Support proposal writing activities.

Requirements:

- Cumulative GPA of 3.5 or higher preferred.
- In 3rd or 4th year of college graduate program.
- Currently pursuing a bachelor's degree in English, Journalism, Writing, or a related field.
- Focuses on technical writing with excellent writing and grammar skills.
- Experience using word processing and other publishing tools.
- Familiarity with hyperlinks and basic tagging systems, such as HTML or XML.
- Well-honed writing skills and proficiency in punctuation and grammar.

Ideal candidate:

- Is detail-oriented and inquisitive.
- Has good interpersonal skills.
- Enjoys learning new tools and software.
- Grasps the goals of each project and has the confidence to ask clarifying questions.
- Can adapt to and write in our Intacct voice and tone.
- Meets deadlines.
- Participates actively in team meetings, offering solutions, ideas, and suggestions.
- Enjoys taking on new tasks.

SD Solutions Culture

We are a fast-growing company who puts people first. Our focus is on building the right team to provide exceptional services to our customers and to grow with our organization. We offer very competitive compensation and a very attractive benefits package. We believe in corporate citizenship and provide several levels of support to students, schools, teachers, and other organizations in our local community. If you are looking for a new opportunity to make a difference and build your career in a positive way, please join us. We're waiting for you.

Equal Opportunity Employer

SD Solutions, LLC is an equal opportunity employer and does not unlawfully discriminate against employees or applicants for employment on the basis of an individual's race, color, religion, creed, sex, national origin, age, disability, marital status, veteran status or any other status protected by applicable law. This policy applies to all terms, conditions, and privileges of employment, including recruitment, hiring, placement, compensation, promotion, discipline, and termination.

Whenever possible, SD Solutions makes reasonable accommodations for qualified individuals with disabilities to the extent required by law.

Delivery Drivers

Now offering to "Well Qualified" Drivers!!!!

ENHANCED RECRUITING INCENTIVES

We at Sysco value your past delivery experience and would very much like to talk to you about joining our team. Currently offering enhanced recruitment incentives for well qualified applicants with 2 or more years of previous "touch freight" delivery experience with a food or beverage service company. In addition to these enhanced incentives, Sysco also offers:

- Competitive pay
- Choice of Health Care Plans
- FSA and HSA reimbursement accounts
- 401k w/ company match
- Stock Purchase Plan
- Paid holidays
- Paid vacation, personal and sick days

[RISK MANAGEMENT CORP.](#)

Engineering Co-op Position.

Risk Management Corp. is currently seeking applications for a co-op engineering position. Our engineers work on state-of-the-art spacecraft systems supporting the Goddard Spaceflight Center. We offer a fast-paced environment where engineering comes first, and a breadth and depth of skills, knowledge, and interests are highly valued. You will have ample opportunities to get hands-on experience assisting in the design and testing spacecraft control and power systems. This is a paid part time position.

The Engineering Co-op student provides electrical design support in the development of spacecraft electronics systems. Through this work the student will have the opportunity to get hands on experience and mentoring to learn spacecraft power and control design principles and applications. The student will support a team of experienced engineers supporting the design, test, and integration of spacecraft and payload systems for the Goddard Spaceflight Center.

Qualifications

- Completion of 2 years of undergraduate education toward a degree in Electrical Engineering or Electronics Engineering Technology
- Knowledge of fundamental electrical engineering concepts, practices, and procedures
- Desire to work on power systems and precision analog designs.
- Familiarity with the use of common lab equipment (e.g. oscilloscopes, meters)
- Familiarity with schematic and simulation tools (e.g. SPICE) preferred
- Good verbal and written communication skills with a high attention to details.
- Critical thinking and problem-solving skills.
- Self-directed work ethic as work will be performed at home.
- Ability to work in a team environment.
- Working knowledge of Word, Excel, Access, and Windows
- GPA of 3.0 or above

- U.S. Citizen

Work Locations: Work will be performed at home utilizing Microsoft Teams. A company computer and required software will be provided. The position may require travel to GSFC or contractor support facilities.

Schedule: Part time, 24 hours maximum per week.

Job Level: Entry Level

To apply send resume to: internship@riskmc.com

INTEREATE AUTISM EMPLOYMENT ADVISORS

Position: Marketing and Business Development Intern

Location: Remote

Term: 12 weeks starting June 14

Hours: 20 hours per week

Application Deadline: Friday, April 9 (priority deadline) / Friday, April 16 (final deadline)

Early responders will receive preferential consideration.

[Integrate Autism Employment Advisors](#) is recruiting autistic college students and autistic college graduates for a paid, part-time, remote internship with a branding and marketing agency headquartered in the Washington, DC area. The agency is focused on brand naming, positioning and messaging, visual identity, campaign development, digital and print media execution, UX design, web development, and content creation.

Internship Description:

The Marketing and Business Development Intern will support the Marketing Services and Business Development teams. The Marketing Services team is responsible for conducting customer research, planning, launching, and optimizing marketing plans and campaigns across multiple channels (paid search, display, email, social, etc.). In addition, the marketing team is responsible for setting the foundational strategy for website projects. The Business Development team is responsible for bringing in new business opportunities for the agency to pursue.

The intern will be required to work 20 hours per week beginning Monday, June 14 for a period of 12 weeks.

Responsibilities include:

- Assist with client and business development research and activities, including research into competitors for various clients, digital research, and research briefs
- Conduct keyword research and search engine optimization support for the agency and their clients
- Support with preparation of award submission packages for work produced by the agency
- Conduct public relations research to help identify outlets that can raise awareness of the agency's awards and service offering
- Organization and editing of case study work samples
- Research the latest advancements in digital marketing and advertising platforms

The Marketing and Business Development Intern will receive training in the usage of the following marketing, sales, and analytics tools and platforms:

- SEMRush
- SimilarWeb
- Google Analytics
- Optimal Workshop
- HubSpot

Requirements:

- Strong attention to detail and organizational skills
- Ability to work independently, after appropriate guidance from manager
- Interest in branding and marketing
- Microsoft Office Suite proficient

Nice to have:

- Experience with any of the above-mentioned marketing, sale, and analytics tools and platforms
- Personal Mac with Keynote experience
- Experience working in Google drive with docs and sheets
- Experience using Photoshop

To Apply:

- **Please follow all instructions carefully, as it is an important criterion to indicate work readiness.**

- The priority deadline to apply is Friday, April 9. The final deadline is Friday, April 16. Please note that there is a 2-step process to submit a completed application.
 - **Step 1:** Candidates should submit their resume to the Marketing and Business Development Internship on Integrate's website: <https://www.integrateadvisors.org/recruitment>
 - **Step 2:** Candidates will then receive an email with an application form. Please submit the application form and requested materials by the specified deadline in the email.
- Candidates who apply by the priority deadline will be given first consideration.

*Integrate works with employers to help them identify, recruit and retain qualified professionals on the autism spectrum for their specific hiring needs. Our goal is to increase inclusive competitive employment for autistic individuals. **Questions?** Email info@integrateadvisors.org.*

DEPARTMENT OF STATE

Foreign Service Office Management Specialists

The **U.S. Department of State** is currently accepting applications for **Foreign Service Office Management Specialists (OMS)**.

Office Management Specialists provide office management and administrative support to U.S. diplomats (consular, economic, management, political, public diplomacy, and regional security officers), in embassies and consulates abroad and domestically in Washington D.C. and New York.

You'll coordinate the flow of information, manage projects and events, and provide essential administrative support to our U.S. diplomats. Other tasks include scheduling meetings, coordinating high-level visits and conferences, arranging travel, managing electronic filing and retrieval of documents, and handling general office management duties.

Strong command of the English language and exceptional grammar is critical, along with superior office management and administrative skills and an in-depth knowledge of office computer software. Your organizational, time management, problem solving, and decision-making skills, along with your tolerance of intensive world travel, living away from family, and working and living in difficult and/or isolated conditions, will make you an ideal candidate.

All potential applicants are strongly urged to [read the entire vacancy announcement](#) to ensure that they meet all of the requirements for this position before applying. When you are ready to begin the online application process, visit

[USAJOBS](#). **Please note that the deadline to submit completed applications is April 6, 2021.**

If you are interested in learning more about general opportunities and the Foreign Service lifestyle, please contact a [Diplomat in Residence](#) closest to your location.

Applicants must be U.S. citizens, at least 20 years old to apply and at least 21 years old to be appointed. By law, all career candidates must be appointed to the Foreign Service prior to the month in which they reach age 60, except for preference eligible veterans. Applicants must also be available for worldwide service, and be able to obtain all required security, medical and suitability clearances.

If you have any questions or would like to search for topics of interest, please visit our [forums](#) or [FAQs](#) at [careers.state.gov](#).
